*The school levy given opposite each township applies to all the property of the township school districts including the attached territory, formerly joint sub-districts of other civil townships.
Hillsboro, Ohio, October 26, 1914.

A Few Suggestions in Regard to Taxes.

The first half of the taxes for 1914, together with all former delinquencies are, payable on or before December 20, 1914, the remaining half are due and payable on or before June 20, 1915.

Those owing last June taxes are delinquent, and must be paid not later than December 20, 1914, or such property will be advertised and sold on the second Tuesday of Feb., 1915. Some tax-payers have been in the habit of paying the December tax and the preceding June tax together, thinking that they are paying the full year's tax. All such are paying the last half of one year's tax and the first half of the following year's tax, and thus paying fifteen per cent. penalty on the preceding June tax. The proper way to pay a full year's tax without penalty is to pay in December for December and the following June.

Dog tax is payable in the December collection. When asking for letter for the amount of taxes, designate your property clearly, in whose name, in what township, taxing district, number of acres, what town, number of lot, always including stamps for reply.

Remember, the property stands on the treasurer's books in the name of the owner on Feb. 3, 1914, and the duplicate delivered to the treasurer in the fall remains unchanged for one year.

Bring or send your last receipts; this will assure correctness in description.

Best Cough Medicine For Children.

Important.

"Three years ago when I was living in Pittsburgh one of my children had a hard cold and coughs dreadfully. Up on the advice of a druggist I purchased a bottle of Chamberlain's Cough Remedy and it benefited him at once. I find it is the best cough medicine for children because it is pleasant to take. They do not object to taking it," writes Mrs. Lafayette Tuck, Homer City, Pa. This remedy contains no opium or other narcotic, and may be given to a child as confidently as to an adult.
